

MEDES ESTHETIK, LASER & SPA TURNS 20!

Thursday, December 10th 2009

Moncton – Medes Esthetik, Laser & Spa, located in the Blue Cross building is turning 20 with a full week of celebrations from December 14th to 18th.

The Medes Esthetik, Laser & Spa was the first of its kind to open its doors back in 1989. Since then, Medes has made many people feel good about themselves. From beautiful make-up colors, to wonderful massages, Medes believes that true beauty is the essence between mind and body.

Because of owner and founder Mrs. France Bouchard-Michaud's experience and innovative approach, Medes soon became a leader within the esthetic community in New Brunswick. Therefore, Medes was awarded the prestigious honor of Small Company of the Year by the Conseil Économique du Nouveau-Brunswick, in November 2000.

Mrs. France Bouchard-Michaud continues to promote her vision through the delivery of esthetic and spa services by a first-rate team of specialists who share her commitment to well being and rejuvenation, and by instilling her philosophy.

You are all invited to take part in the celebrations, **from December 14th to 18th** and the **Open Door event, Thursday, December 17th**. To see the complete list of activities, visit www.medes.ca or call 853-8391.
